

DARPAN

DREAM-BELIEVE-ACHIEVE

Late Raja Lakshmeshwar Singh Ji

We Hail! to our giver, the magnanimous and benevolent Raja saahab who has been the guiding force behind bringing world class education at our doorsteps.

Laksmeshwar Singh ji was the 23rd person in line of the erstwhile Basti Royals. The family of Kalhans Rajputs trace their origin from Baglana in Gujarat from where they came for a pilgrimage to Ayodhya in late 16th century. Seeing the atrocities committed by local administration they captured large parts of Gonda and Gorakhpur where they established small Principalities.

The family patronised sports, literature, music and dance. In the post mutiny era Raja Mahesh Shitla Bux Singh was a renowned poet himself and his composition of songs which later became thumris for the Lucknow Gharana of Kathak are collected in a book known as Shringaar Shatak. His wife Rani Bhuwan Raj Kunwar who was the daughter of the King of Nepal stayed in Kashi where she helped Pandit Madan Mohan Malviya in establishing Benaras Hindu University.

Raja J. P. N Singh to whom goes the credit of constructing the present Basti Palace was a horse lover and dominated the Indian Horse races at Kolkata, Mumbai and Madras in 1940,s and 50s.

Lakshmeshwar Singh ji in whose memory our School stands today was an outstanding sports man. He was the Captain of the U. P Basketball team from 1970 to 73. After completing his post graduation from the University of Allahabad he came back to Basti in order to fulfill his dream of making Basti self sufficient in Agriculture and Education. Inspired by the writings of Perls Buck Good Earth he wanted the planet to become greener, where Flora, Fauna and Humans will enjoy food and harmony together.

He also represented Basti sadar as a member of U. P Legislative Assembly. Every year he used to plant minimum 1000/ trees and was successful in converting the area around the city into a green belt.

Raja Lakshmeshwar Singh Memorial City International School as it stands today is the outcome of his Vision . Here we should not emphasize on imparting knowledge alone but try to make the child wise enough so as to make him into a worthy Human being who would stand above the division of caste, class ,creed.

About School

Established in 2016, RLSCMCIS has emerged as a premier educational institution, setting benchmarks in academics and holistic development. Founded by visionaries Principal Preeta Khandelwal and Director Mukesh Khandelwal, the school's journey is a testament to their commitment to quality education. The Khandelwals' passion for education led them to launch Eurokids in 2010, which paved the way for RLSCMCIS. With a focus on innovative teaching methods, state-of-the-art infrastructure, and nurturing environment, RLSCMCIS has consistently delivered exceptional results. Under the guidance of its founders, RLSCMCIS has grown into a hub of academic excellence, fostering curiosity, creativity, and character in students. As a school that believes in evolving with time, RLSCMCIS continues to strive for excellence, shaping young minds to become responsible global citizens.

*At RLSCMCIS,
We're proud of our journey so far and excited for the future*

*A Good Education is a
Foundation for a better future*

RLSCMC International School envisions being the center of excellence of global standards that strives to nurture and develop the young adults into thinking being and connected world citizens. We are committed to our aim of facilitating education for life through our enriching and innovative multi dimensional curriculum.

- **Developing well-rounded Individuals:** Foster self resilience, Confidence and self esteem in students.
- **Lifelong learning:** Create a passion for learning that extends beyond classroom
- **Responsible citizenship:** Instill discipline, empathy and social responsibility in students
- **Independent Thinking:** Encourage critical thinking ,creativity and intellectual humility
- **Global perspective:** Prepare students to thrive in a diverse, interconnected world
- **Emotional Intelligence:** Develop empathy, self - awareness and effective communication skills
- **Leadership Skills:** Nurture leadership qualities teamwork and collaboration :

Founder Manager

Dear Students, Parents, and Future Families, Welcome to the Annual Magazine and Prospectus of RLSM City International School—a testament to our unwavering commitment to excellence. In these recent years, we've transformed learning through seamless technology integration, from AI-driven interactive classrooms and language labs for instant knowledge access to digital platforms that make education engaging and future-ready. We nurture every child's unique potential, fostering self-confidence through personalized growth plans and celebrating individual milestones. Regular parent-teacher interactions and open communication channels ensure we're true partners in your child's journey, honing essential communication skills alongside academic progress. Our collaborative events, like mental wellness workshops, career counselling sessions, strengthen these bonds and empower families together. Discover how RLSM City International School shapes confident, tech-savvy leaders.

We invite you to join our vibrant community!

Mukesh Khandelwal
Founder-Manager

Founder Principal

Dear Students,

I do not walk ahead of you, nor do I stand behind, I walk beside you, quietly, watching your mind unfold. I ask you questions not to test, but to help you see your light, for every doubt you overcome turns effort into might. When you stumble, I remain, when you rise, I smile more, my belief in you never fades, it only grows stronger than before. One day your answers will travel far, beyond classrooms and charts, they will arrive as stories of courage, of dreams turned into starts. No matter where life carries you, no matter how high you soar, remember—you were always believed in, and that belief opened every door. You are my hope made visible, my purpose, tried and true, And in every success you achieve, I will quietly say, I always knew.

*My eyes always are on you
As your safety is a priority,
I will be persistent in my efforts,
So that you are hardworking and never left behind,
My question shall follow you,
As I don't want you to be unanswered,
I will always run after you,
So that you aim high and
success runs after you!
one day you will be all big and grown up,
I will desire to hear from you
But not through your answer sheets,
Through your success stories and email.
However old I get,
However tall you grow,
you will always be my greatest achievement,
I am proud of you.*

Preeta Khandelwal

Dear Readers

Greetings to you!! "Education is not the learning of the facts but the training of the mind to think", said Albert Einstein.

Raja Lakshmeshwar Singh Memorial Citi International School, Basti, is well known for its academic excellence and dedicated approach towards dissemination of knowledge in the academic world. We are delighted to bring out Darpan 2025-26 issue compiled after rigorous efforts and hardwork. This issue brings forth the creative side of the students and teaching fraternity. 'DARPAN' provides a platform for the students to discover their inner creative talent. In my journey of being the Editorial head of the school magazine Darpan 2025-26, I have been amazed at the zeal and enthusiasm with which the students have worked tirelessly to bring forward this issue. They contributed to the magazine by writing articles, submitting art work, writing poetry and many more things. All these things have helped them to cultivate interests and hobbies which are equally important and act as stress busters in today's time.

We hope you enjoy reading this issue as much as we have enjoyed making it.

Happy Reading!

Co- Curricular teaching and Learning Methodology

Flip Classroom

At RLSCMCIS students take the lead! In this innovative approach, Students take the Charge of the Class fostering leadership, communication, and empathy. A win-win for all, as learning.

Phonic Drill

Phonic drill at RLSCMCIS enhances pronunciation and language skills through engaging activities, boosting confidence in young learners rapidly everyday.

Spell Bee

RLSCMCIS hosted a 3-round Spell Bee Contest. Students showcased spelling prowess, navigating challenging words. The competition was fierce.

Inter house Hand writing Competition

Students from different houses showcased their writing skills, competing for the top spot. Neatness, legibility, and creativity were judged, making it a thrilling contest!

Nutrition Week Celebration

RLSCMCIS School celebrated Nutrition Week from 1 Sept to 7 Sept- 2025, with activities promoting healthy eating and balanced diets. Students participated in "No Fire Cooking", "My Healthy Plate", Nutrition Quiz, and took a pledge to eat nutritious food, spreading awareness about healthy living.

Hindi Pakhwara

Hindi, the mother of all languages, took center stage! Students showcased their linguistic prowess through Hindi calligraphy, Kavya Antakshari, and debates across categories. The inter-house competition was fierce, highlighting the richness of Hindi language and culture

RLSCMCIS Turned into a Parliament

Students transformed into confident politicians, debating and discussing crucial issues in a mock parliament setup. Chief Guest, former Lok Sabha member Mr. Harish Dwivedi, praised their eloquence and poise. A stellar event showcasing RLSCMCIS students' oratory skills and civic awareness.

Co- Curricular teaching and Learning Methodology

Constitution Day Celebrations

Students' knowledge of India's Constitution was tested, while a gripping role play brought the Constituent Assembly members to life. Students embodied the founding fathers, showcasing their understanding of the Constitution's significance.

Show and Tell Inter-Class Competition Sparks Creativity!

Students were thrown a surprise with an object and in a minute, they wove magic! Impromptu speaking skills shone as they talked in unique ways, showcasing their creativity and confidence

National Statistics Day at RLSMCIS

Data enthusiasts in action! Students conducted surveys on various topics, crunching numbers and crafting compelling presentations. Statistical insights flowed as they visualized data, honing their analytical and presentation skills?

National Space Day

Students experienced the vast and wonderful world beyond the Earth through various activities such as an act on the solar system and the launch of Chandrayaan. Learning about space helped them ask questions, imagine freely, and dream big.

Poster Making Competition

RLSMCIS students create Eco-conscious posters showcasing their artistic talents and commitment to environmental protection on Earth Day and Water Day

Dive into the ocean world

Diving into the ocean world, students discovered fun learning beyond books. The event was a bundle of rhymes, songs, and dances that mesmerized everyone with a beautiful aquatic effect.

Fancy Dress on Celestial body

A fancy dress activity on celestial bodies helped students explore space in a fun and creative way as they dressed up as the Sun, Moon, planets, and stars, making learning joyful and memorable. Their confidence was boosted as they were exposed to the mic and developed their speaking skills.

Let's have a peep into the range of Extra Curricular activities held at RLSMCIS throughout the year.

Extra curricular activities are a vital part of school life, helping students develop skills, build confidence, and explore interests beyond academics. They foster teamwork, creativity, and leadership, shaping well-rounded individuals with a passion for learning and growth.

Benefits of Extra Curricular Activities :

DEVELOPS NEW SKILLS AND TALENTS

BOOSTS CONFIDENCE AND SELF-ESTEEM

ENCOURAGES TEAMWORK AND SOCIALIZATION

ENHANCES CREATIVITY AND PROBLEM-SOLVING SKILLS

SUPPORTS MENTAL HEALTH AND STRESS RELIEF

BUILDS FRIENDSHIPS AND NETWORKS

Sports

Kho-Kho

Chess

Kabaddi

Football

Cricket

Taekwondo

Skates

Basket Ball

Badminton

Cultural Activities And Celebrations

Basant Panchami Festivities

Our Basant Panchami celebration was a vibrant affair! The day began with Saraswati Puja and a soulful Vandana by the school choir.

Christmas Carnival Brings Joy

RLSMCIS hosted a Christmas Carnival, Showcasing students's artistic talents. The Art Carnival featured 2D and 3D creations, dance and performance. Students thoroughly enjoyed the festivities.

Grand Parent's Day

Grandparents are the bridge between parents and grand children. They are the binding force of the family. We got the opportunity to make their day special as their grandchildren showcased beautiful talents on stage, performances that truly touched their hearts.

Diwali Celebrations:

RLSMCIS celebrated Diwali with innovative workshops! Students participated in Mandala Art, Candle Making, Macramé Art, Diya decoration and Lipan Art and Puppet Making.

Children's Day

Children are close to our hearts and are the most important building blocks of our future. Their day was made special with a musical evening, fun games, and a delightful dinner.

Investiture Ceremony

RLSMCIS conducted elections for the Student Council, leveraging a custom-built voting software developed by the school's tech whizzes.

Cultural Activities And Celebrations

Parent's Day Celebration

Students showcased love and appreciation for their parents through the 'My PARENTS MY HERO' activity on July 27th. Creative expressions including photo displays, colourful artworks, and crafts, highlighting the invaluable role of parents in their lives.

Guru Vandana : A Tribute to Excellence

Students celebrated Teacher's Day with a fun-filled event, featuring energetic dance, Band and skit performances. They showered love and respect on Teachers, bestowing them with interesting titles. A memorable day of joy and appreciation !

Mother's Day

God cannot be everywhere, so He sent mothers to Earth. This day was a beautiful opportunity to express our gratitude to them, make them feel special, and fill the evening with fun, dance, games, and lots of masti.

Heritage Day

A captivating description by Raj Mata' took students on a journey through Basti's rich heritage and its illustrious Raj Gharanas. The immersive experience showcased the region's history, culture and traditions, leaving everyone enriched and inspired.

Friendship Day Celebrations

Students showcased their creativity through various activities. Students made colourful comics illustrating true friendship. The activities promoted unity, teamwork, and affection among friends, making the day special.

Independence Day

The nation's future lies in the hands of our young generation. A heartfelt tribute was given to everyone who contributed to building our nation through dance, drama, and songs. The captivating performances touched the hearts of the audience and filled them with pride.

THE CHAMPIONS CLUB

The Champions Club: Unlocking Potential, One Skill at a Time!

RLSMCIS School launched the Champions Club, a unique initiative to divert students' attention from excessive screen time to productive and engaging activities. The club offers a range of skills training, including : Music classes (vocal and instrumental)- Skating classes - Taekwondo classes -Basketball coaching - Dance classes - Cricket club

Why Clubs Matter :

- Develops new skills and talents.
- Boosts confidence and self-esteem.
- Encourages teamwork and socialization.
- Fosters creativity and self-expression.
- Improves physical and mental well-being.
- Provides a healthy alternative to screen time.

The Champions Club is an exciting opportunity for students to discover their passions, make new friends, and become well-rounded individuals.

RLSMCIS SUMMER CAMP BLASTS OFF !

Beating the heat and boredom, RLSMCIS's summer camp was a whirlwind of fun and learning! Skill-based activities like clay modelling, painting, dance, and music kept kids engaged. The grand finale? A splash-tastic rain dance party that capped off an unforgettable summer experience

STEM Fest at RLSMCIS

RLSMCIS hosted a vibrant STEM Fest, sparking curiosity and innovation among students.

The event featured engaging activities and exhibitions showcasing science, technology, engineering, and math concepts.

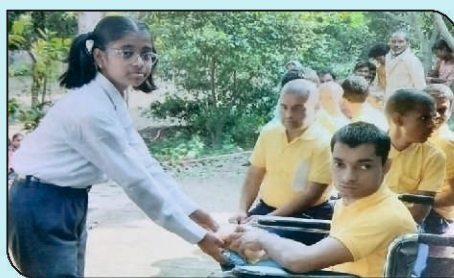

Guest of Honour: Mr. O.P. Mishra (Joint Director of Education) Highlighted the importance of Science & Technology.

Carnival of Smiles Brings Joy to RLSMCIS

RLSMCIS hosted an unforgettable Carnival of Smiles, a vibrant extravaganza that brought together students, parents, and teachers in a day of fun and frolic! The school premises transformed into a colorful marketplace, featuring an array of stalls showcasing everything from trendy garments and books to delectable treats and artisanal crafts.

But that wasn't all! The event also witnessed some amazing performances by our talented students, who stole the show with their energetic and entertaining acts. And, to top it all off, the renowned Varanasi-based troupe, 'The Puzzl', treated the crowd to an electrifying band performance that had everyone grooving!

The carnival was a massive hit, spreading smiles and joy among all attendees. Kudos to the organizing team, parents, and students for making it a day to remember!

CIS Got Talent Shines Bright!

RLSMCIS hosted CIS Got Talent, a spectacular event that showcased students' unique skills and talents. The finale took place on August 1st, with auditions happening on July 29th.

Students dazzled the audience in four categories:

Performing Arts: Dance, song, acting, and instrumental performances wowed the crowd!

Literary Arts: Storytelling, poetry recitation, and extempore speaking skills were on full display.

Unique Talents: Jugglers, cube-solving whizzes, magic performers, and acrobatics experts amazed everyone!

Visual Arts: Artistic skills shone through paintings, sketches, and crafts. It was a fantastic opportunity for students to showcase their talents, and the event was a huge success!

Excursion & Educational Trips

AGRA & JAIPUR TRIP

The Jaipur and Agra excursion aimed to expose students to India's rich architectural heritage. The grandeur of historical monuments and the blend of history and culture gave them valuable insights into the deep connection between the country's past and its identity.

SIKKIM TRIP

The Sikkim exposure visit was organized to familiarize students with the rich traditions and culture of Sikkim. Visiting Nathula Pass gave them a powerful experience of India's borders and the bravery of Indian soldiers. The journey emphasized self-management as a key life skill, helping students grow in discipline, adaptability, and independence.

VARANASI TRIP

The Varanasi visit allowed students to experience the city's rich culture and diverse spiritual spaces. The main focus of the visit was to expose them to the heart of India's growth-the River Ganga-highlighting its cultural, historical, and social significance.

HANDLOOM

The industrial exposure visit to Tanda Textile Manufacturing helped students understand traditional and modern textile techniques. They also learned about government policies supporting weavers. Interactive discussions enhanced their life skills, including communication, critical thinking, and teamwork.

Book Reviews

Book Review: The Hidden Hindu by Akshat Gupta

The Hidden Hindu is a trilogy novel by Akshat Gupta is a fascinating novel that beautifully blends mythology, history, science, and mystery. As a student who enjoys reading, I found this book very engaging and unique. It made me think deeply about ancient Indian culture and its connection to the modern world. The story revolves around a mysterious man named Om Shastri, who appears to be immortal. He has lived for thousands of years without aging, which attracts the attention of the Indian government. During the investigation, his life story slowly unfolds, taking the reader through different time periods. The novel is strongly connected to Hindu mythology, especially the Mahabharata and the concept of immortality, time, and karma. What I liked most about this book is the way the author connects ancient Hindu beliefs with modern science. It does not feel like a boring mythology lesson; instead, it feels like an exciting adventure full of suspense and unexpected twists. The storytelling keeps the reader curious and interested till the end. The language used in the book is simple and easy to understand, making it suitable for young readers like me. In conclusion, The Hidden Hindu is an excellent read for anyone who loves mythology, mystery, and thrill. I really enjoyed reading this book and would highly recommend it to students and readers who are interested in Indian culture and ancient stories.

Unnati Khandelwal
(Class 11th)

The White Tiger

The White Tiger by Aravind Adiga is a dark and unsettling novel that gives a raw look at class, power, and ambition in India. Told through Balram Halwai's voice, the story feels direct and personal, almost like he's confessing his life to the reader. Balram's journey from a poor village boy to a successful businessman is disturbing but gripping, because even when his choices are wrong, you understand why he makes them. The novel uses sharp, dark humor to talk about corruption and inequality without sounding preachy. It's a short and easy read, but the questions it raises about success and morality stay with you long after you finish it.

Isha Srivastava
Class 12th

Reading of Fictional Novels in Teenagers

Article: By Aditi Mishra

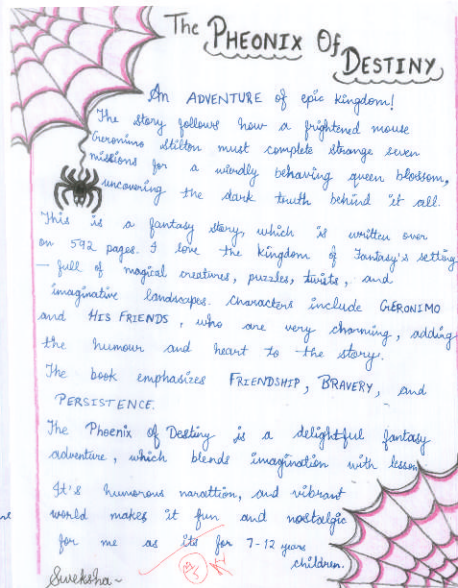

Reading fictional novels is a popular and beneficial habit among teenagers. Fiction allows young readers to escape into imaginative worlds filled with interesting characters, exciting plots, and meaningful messages. It is not only a source of entertainment but also an important tool for personal growth.

One of the main advantages of reading fictional novels is the development of imagination and creativity. Teenagers learn to think beyond reality and visualize situations, which sharpens their creative skills. Reading fiction also improves vocabulary, language skills, and comprehension, helping students perform better in academics.

Fictional stories often teach valuable life lessons. Through different characters and experiences, teenagers learn about emotions, relationships, and moral values such as kindness, courage, and honesty. This helps in developing empathy and emotional intelligence.

In conclusion, the reading of fictional novels plays an important role in shaping the personality of teenagers. It enriches their mind, improves language skills, and provides moral guidance. Teenagers should be encouraged to read fictional novels regularly to support their overall development.

Aditi Mishra

Book Review

The book I read this week was What Every Body is Saying by Joe Navarro, written with Mossamed Kossuth.

This book genuinely taught me a lot about how people work and how psychology shows up in daily life. If someone wants to understand a fascinating manipulation, an learn how to read people just through their body language, this book is literally a really good choice. I think this book is extremely useful for teenagers. When you're growing up, you slowly start realizing how touch and manipulation the real world can be, and this book helps you see that clearly. It teaches you how to avoid becoming a victim of manipulation, mind games and gaslighting by simply being aware of how people behave. The book has around nine chapters and isn't very long but it still manages to teach a lot. Joe Navarro talks a lot about body language - how the way someone sits, speaks, moves, touches an even places their hands can reveal what they're actually feeling. One thing I found interesting was how he explains that the face is often the least reliable place to judge someone's true emotions. Instead, things like feet, thumbs, eyelids and posture tell you much more than you'd expect. The book slowly pushes the idea of becoming a good observer, which honestly feels like an important survival skill in real life. What I liked most about this book is that it doesn't fit into just one category. It's not only about body language - it's about understanding people, their intentions, their confidence, and even their hidden discomfort while reading it. I kept realizing how many signs I had ignored in the past. It honestly felt like a wake-up call because it made me think about how unaware I had been reading it. If you want to understand manipulation, avoid mind games, and read people better, this book is definitely worth reading.

Book review "Ikigai"

Ikigai the Japanese secret to a long and happy life by Hector Garcia and Francesc Miralles. It's explores the idea that having a purpose gives life meaning. This book is inspired by the Japanese concept of Ikigai which refers to the reason one gets up every morning. Through the stories of long living people from Okinawa, Japan the authors show how passion, community, healthy habits and staying active contribute to a 'Happy and balanced life.' The writing style is simple and engaging, making the book easy to understand and relatable. Rather than offering complex theories, it focuses on small practical changes such as enjoying work, maintaining friendship, and living in present moment. While some ideas may feel familiar, the book claims to be in calm and encourages tone to be inspiring. Overall, Ikigai is a thoughtful and motivate readers to reflect on their goals and find purpose in everyday life.

Animal Farm

By George Orwell

Animal farm is a political novel written by George Orwell. The story is set on a farm where animals overthrow their human owner, Mr. Jones, hoping to create a society based on equality and freedom.

Initially, the animals live happily under the principles of Animalism. However, the pigs, especially Napoleon, gradually gain power and become as oppressive as the humans they replaced. Through simple language and animal characters, Orwell exposes the dangers of dictatorship, corruption, and misuse of power. The novel reflects events of the Russian Revolution and highlights how noble ideas can be twisted by selfish leaders. Animal Farm is thought-provoking, easy to understand, and deeply meaningful. It teaches readers to remain aware of political manipulation and the importance of equality and justice in society.

ARTICLES

Teenage years are often filled with big dreams and equal amounts of confusion. As children, we dream freely, but as teenagers, those dreams begin to feel restricted by marks, competition, and expectations. Everyone seems to want a clear answer about our future, even when we are still trying to understand ourselves.

Goals at this age often feel confusing because they are influenced by parents, teachers, and society. While their guidance is important, it sometimes makes us doubt our own interests. Career confusion grows when we fear making the wrong choice or compare ourselves to others who seem more successful. However, it is normal to feel unsure. Teenage life is meant for exploration, learning, and self-discovery. Dreams may change, goals may shift, and that is okay. Being confused does not mean we are failing—it means we are growing and finding our own path.

In the end, every teenager deserves the time and freedom to discover what truly inspires them. Career paths are not fixed, and dreams do not have an expiry date. With patience, self-belief, and support, confusion can turn into clarity. What matters most is not having all the answers now, but having the courage to keep learning, growing, and moving forward.

The Global Impact of Semiconductors and the China-Taiwan Conflict

Semiconductors are the backbone of modern technology. From smartphones and computers to cars and advanced defense systems, almost every device relies on them. Currently, Taiwan's TSMC dominates semiconductor manufacturing, giving it a crucial role in the global economy.

If China fully takes control of Taiwan, the entire semiconductor supply chain could shift dramatically. Countries that rely on semiconductors but avoid trading with China would be forced to deal with it, giving China unprecedented economic and strategic power. This sudden monopoly could disrupt global tech industries, affecting everything from AI and smartphones to electric vehicles and military technology.

Arpit (Class - 9th)

America and Greenland :A modern day controversy

In recent years, the relationship between America and Greenland has become a topic of global discussion. Greenland is the world's largest island and is an autonomous region under Denmark. Although, it has a small population, it holds great importance because of its location in the Arctic region and its rich natural resources. The issue gained attention when the United States showed interest in buying Greenland. This idea surprised many people across the world. Greenland and Denmark clearly rejected the proposal, saying that Greenland is not for sale. America's interest in Greenland is mainly strategic. Due to climate change, ice in the Arctic is melting, opening new sea routes and access to minerals. Greenland also has military importance because of its position between North America and Europe.

Abheesht (Class- 9th)

Life

Life So beautiful, yet so painful
Disturbing, yet calming
Like a beautiful dream,
Sometimes blurred by pain
Sometimes heavy with tears,
Yet so magical.

The suffering
Like a passing cloud
Across the endless sky
Where the darkness
And light mingles.

After all the heartbreaks
Healing awaits
In the silence
In the peace
When everything feels lifeless
And hope seem to fade,
And I realize,
Growth is unseen
Hope whispers, not leaves

योद्धा अभिमन्यु

आज कलानी एक युद्ध की तुमको नई बताती हूँ,
जो गर्भ से ही बना योद्धा उसका यश गान सुनाती हूँ।
कुरुक्षेत्र के भीषण रण में निशा अलबेली थी,
कौन करेगा युद्ध कौरवों से कल एक पहेली थी।
गुरु द्रोण ने युद्ध विजय को चाल नया एक खेला था,
संग सारथी के अर्जुन को रण से दूर ढकेला था।
व्यूह चक्र में फंसा के युधिष्ठिर को बंदी उन्हें बनाया था,
कपट नीति से ही चहे हों कुरुवंश को जय से उन्हें मिलना था।
युधिष्ठिर ने आर्त भाव से सबक ही ललाई था,
कौन तोड़ेगा चक्रव्यूह को मन ही मन अनुमाना था।
तब अभिमन्यु ने कल तात हे व्यर्थ फिर क्यों करते हैं,
हम भी हैं पांडु के वंशज मरने से क्या डरते हैं।

जब तक हूँ मैं इस रण में गुरु द्रोण की एक नहीं चलने दूंगा,
पिताजी की अनुपस्थिति की कमी नहीं खेलने दूंगा।
चक्रव्यूह के छह दवारों को अभिमन्यु ने तोड़ा था,
दुर्योधन को लगने लगा था जय मैं वह एक अकेला रोड़ा था।
जिधर निकल पड़ता था रण में भगदड़ सी मच जाती थी,
कौन लड़ेगा कौन मरेगा रिपु सेना चिल्लाती थी।
गुरु द्रोण देखा कि अब सप्तम दवारा टूटने का है,
चाहे कितना कर ले कोशिश स्वप्न हमारा लूटने का है।
स्वप्न टूटता देख कुरु का पुरुषों ने यह अत्याचार किया,
मिलकर सात महारथियों ने सौभद्र पर वार किया।
और अंत में हुआ वही जो कपट युद्ध में होना था,
खेत रह गया वीर पुरुष जो अपनी मां का एक खिलौना था।

Parent's Review

The RLSCMCIS not only focuses on students education but also on extra curricular activities. They have an ideology of over all development. They also inculcate new NEP policies for better development of students. Here the teachers are also very supportive, caring and cooperative. They also focus on communication skills.

Marutendu Pratap Singh

Father of Anukriti Singh Class XI

I am satisfied with the improvement in my daughter. The teachers here are dedicated, passionate and work together to make every child confident and versatile. Along with studies the school organises many extra co-curricular activities which not only mentally but physically improve the child. Thanks !

Dr. Arvind Kumar

Father of Purvi Verma Class 8th

As a parent, I really appreciate school's efforts to make my ward progressive. The efforts of teachers have helped my children not only to learn but enjoy the process and school not only focuses on mental learning but also helps to develop physical skills; school offers a wide range of activities like sports, music, speaking opportunities and many more. My children feel safe and supportive at school. The dedication of teachers and staff are commendable, they are really supportive towards students. My child's progress is amazing. Thank You !

Mr. Rishi Batwal

Father of Avni Bathwal and Parth Bathwal Class 8th and 11th

Thank you for creating such a positive and inspiring learning environment for our children. Your teaching has not only improved their academics but also shaped their character beautifully. We are grateful for your care, understanding, and continuous support. Our heartfelt thanks to the principal and the entire school staff for their hard work.

Sagar Gupta

Father of Vansh Gupta and Nyra Gupta Class 8th and 1-A

Raja Lakshmeshwar Singh Memorial City International School is doing excellent in all the fields especially giving lot of exposure to children. My child, Diva gets ample opportunities to explore and progress in all aspects. Good efforts by all the teachers, coordinators and principal. Diva's communication and social skill have enhanced a lot due to range of classroom activities. Keep it up! I wish great success to the school.

NEHA GADIA

Mother of DIVA GADIA Class 5

I am writing this review for RLSCMC International School and I have been a parent of your for past 7 years we have been very satisfied with the level of care and education my child is receiving the teaching staff is very good and nurturing and developing the children's academic skill as well as social interaction the communication from the school administration has also be in an excellent experience the school provides a warm atmosphere and positive Vibes my daughter really enjoys coming to school we are very happy with our choice of school over all we highly recommend the school to other families looking for supportive, enriching and educational environmental

Dr. Akansha Mishra

Mother of Kashvi Mishra Class 4th

As a parent, I feel comfortable and happy sending my children to this school. The teachers are kind and nice, and my children enjoy coming to school every day. The school not only focuses on studies but also teaches good values and confidence. I truly feel my child is growing in the right direction here.

Kalpana Singh

Mother of Aditi Singh Class- 6th & Suryansh Singh Class- 9th

I am truly impressed with the curriculum and teaching methods, which are unique and thoughtfully designed. My daughter's progress has been remarkable, and she genuinely enjoys coming to school every day. Thank you to the Principal and all the teachers for nurturing my child's love for learning.

Vineet Sharma

Father of Avni Sharma Class-2nd A

As parents of Rabnoor and Rehat, we are extremely pleased with our experience at RLSMC International School. The school offers a warm, encouraging environment where children feel safe, confident, and motivated to learn. The teaching staff is highly dedicated, well-trained, and genuinely invested in the growth of every child. We appreciate the school's strong focus on academics, discipline, and values, along with its modern teaching methods and well-maintained facilities. Our children have shown remarkable progress, not only in studies but also in communication skills and overall personality development. We truly feel that RLSMC International School provides a nurturing foundation for a bright future. Highly recommended!

Gurjeet Kaur

Mother of Rehat and Rabnoor Kaur : Class 2- B and 10th

RLSMCIS school provides an excellent learning environment with dedicated teachers who foster student growth and a supportive community that builds strong friendships. And also co-curricular activities in school. Thanks

Anuj Pandey

Father of Aanya Pandey Class 1st A

We are very happy with our experience at this play school. The teachers are caring, patient, and genuinely attentive to each child's needs. My daughter has become more confident, social, and enthusiastic about learning since joining. The environment is safe, clean, and child-friendly, with plenty of activities that encourage creativity and early learning through play. Communication with parents is clear and regular, which gives us a lot of peace of mind.

Mr. Bijnath Gupta

Father of Aashvi Gupta

As the mother of Riyanshika Shukla, I am very happy with the school. My child feels safe, loved and excited to go to school everyday. The teachers are very caring, patient and attentive to each child's needs. I truly appreciate the efforts of the teachers and staff and would highly recommend Euro kids to other parents.

Pragya Shukla

(Mother of Riyanshika Shukla) Nursery

Euro kids provide a warm and nurturing environment that has made my child's transition into Nursery incredibly smooth. The teachers are exceptionally patient, focusing on play-based learning that keeps the little ones engaged and excited to attend every morning. We've noticed a wonderful boost in our child's social confidence and basic motor skills since joining. It's a great choice for parents looking for a safe, supportive, and stimulating start to their child's education.

Lalita

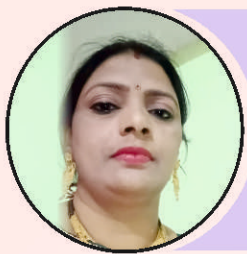

Prasiddhi Singh (Nursery)

EuroKids is an amazing preschool that provides a safe, fun, and nurturing environment for young children.

Mr. Susheel Kumar

Father of Shamisha

EuroKids provides a warm and nurturing environment that has made my child's transition into Nursery incredibly smooth. The teachers are exceptionally patient and focus on play-based learning, which keeps the little ones engaged and excited to attend every morning. We have noticed a wonderful boost in our child's social confidence and basic motor skills since joining.

Name

Mother of Prasiddhi Singh Class Nursery

I like the way to educate children learning with playing method without taking any study load My daughter love to go daily to school and the teachers are very caring and loving towards the children. Thank you!

Siya Wadhwani

Mother of Divya Wadhwani Class Eurojunior, Malviya Road

Eurokids Pre-school at Malviya Road is truly amazing! The teachers are caring and dedicated, and the curriculum is engaging and fun. My child loves going to school and has learned so much. The emphasis on extracurricular activities and celebrations like World Ocean Day makes learning interactive and enjoyable. Highly recommend for a nurturing and creative start to your child's education

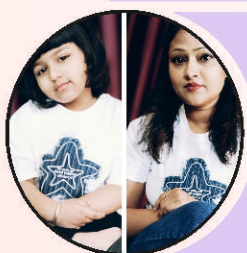

Aarvi Singh

Mother of Smita Singh Class Eurojunior, Malviya Road

Amazing place. Breaks free from the conservative approach. Makes the wards think and learn by themselves, in an organic manner. Very participative and interactive teaching methods involve the students holistically into the fine learning environment igniting their curiosity and imagination. A big shoutout to the teachers, who genuinely care for the kids and support them. They truly act as their pillar of strength. Learning is fun here, not forced. All in all, a great preschool, exactly how it should be..

Dr Ruchi Srivastav

Mother of Adwika Class Nursery

Our child's confidence has flourished at this school. I am grateful for the value of respect and humanity . This school has instilled in me . The classrooms are bright and teachers always encourage students to do well in academics. Your patience and encouragement has helped my child to learn and grow better. My child has being groomed very well by the teachers.

Dr. Laxmi Rajak

Mother of Trishika Singh .Class:- Euro Senior

Eurokids focuses on holistic development through a variety of activities like music, play, and exploration. The school is praised for having dedicated and trained teachers who provide personalized attention in a secure, nurturing, and stimulating environment. So basically kids develop their overall development including social as well as physical development.

Sonal Agarwal

Mother of Kiyaan Agarwal (U.K.G.)

I'm satisfied with the school environment and really appreciate the efforts put in by the school to nurture our little ones, and also appreciate the school's willingness to listen to parental concerns and work to find solutions...

Mrs. Rachna Singh

Mother of AAYRA SINGH Class- L.K.G

As a parent of RLSMCIS I feel that the school has really helped my child to grow in an holistic way. The teachers here are very supportive and guide the students well. Overall I would say that this school gives a child the best positive environment to grow.

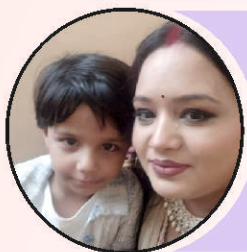

Archana Maurya

Mother of Sanskriti Maurya, Class 10th

The overall development of the children is given due attention, and all the teachers are very good.

Dr. Kalpana Mishra

Tejas's Mother, Malviya Road

We enrolled Mishika in EuroKids Nursery with a bit of nervousness, wondering how our little one would adjust to a new environment. To our delight, she settled in beautifully right from Day-1! The teachers are incredibly warm, affectionate, and patient. They greet every child by name with big smiles and hugs, making the classroom feel like a second home. Learning happens completely through play-be it letters, numbers, colours, rhymes, or dance.

Vinita Gupta & Manmohan Gupta

(Parents of Mishika Gupta, Nursery)

"Before joining CIS my child could not speak English and was also very hesitant about things but CIS helped him build his confidence by encouraging everyone to participate in all the various activities and within 6 months my child started to speak English and now he can easily speak fluent English."

Pranav Verma

Father of Aanukalp Verma, (Class-10th)

- RLSMCIS provides a great environment for learning with facilities like a large playground, a well equipped library, music and dance classes etc.
- The teachers are very kind, helpful and patient. They encourage students in both their studies and extracurricular activities.
- I am totally satisfied and very much thankful to all the teachers and school staff for their hard work and dedication.

Shilpi Chaudhary

Pavni's Mother (Class-1 B)

I am proud to see my child learning and growing with confidence. The school provides a caring and creative environment for children. It is a pleasure to see my child enjoy learning at school. As a mother, I appreciate the school's efforts in nurturing young minds with care and dedication and I appreciate the efforts of teachers in shaping our child's future. Thank You to the school for helping our child grow academically and personally.

Pragya Shukla

Mother of Rudraksh Shukla (Class-II 'B')

Thank you for providing such a nurturing and motivating learning environment for our daughter. Under your guidance, she has shown remarkable growth not only academically but also in her overall personality. Her confidence has improved significantly, and we can clearly see the development of creative learning and logical thinking skills. We truly appreciate your dedication, care, and constant encouragement. Our sincere gratitude to the principal and the entire school staff for their continuous efforts and commitment to holistic development.

Amit Agrawal

Father of Vaibhavi Agrawal (Class-7)

Daddle, volley, and smash your way to fun!

New Sports Alert! Exciting Times Ahead!

RLSMCIS is reviving up for an action-packed future! We're thrilled to announce two exciting additions to our curriculum: Boxing and Pickleball coaching! Get ready to punch it out and serve up some fun!

Day Boarding : A New Chapter! RLSMCIS is coming up with day boarding where our students will be provided with academic and extracurricular support and for taking care of your little ones we are settling up our brand-new, fully furnished, air-conditioned mess and kitchen! Delicious meals, comfortable spaces, and friends to share it with.

"Nourishing Minds, Building Champions":

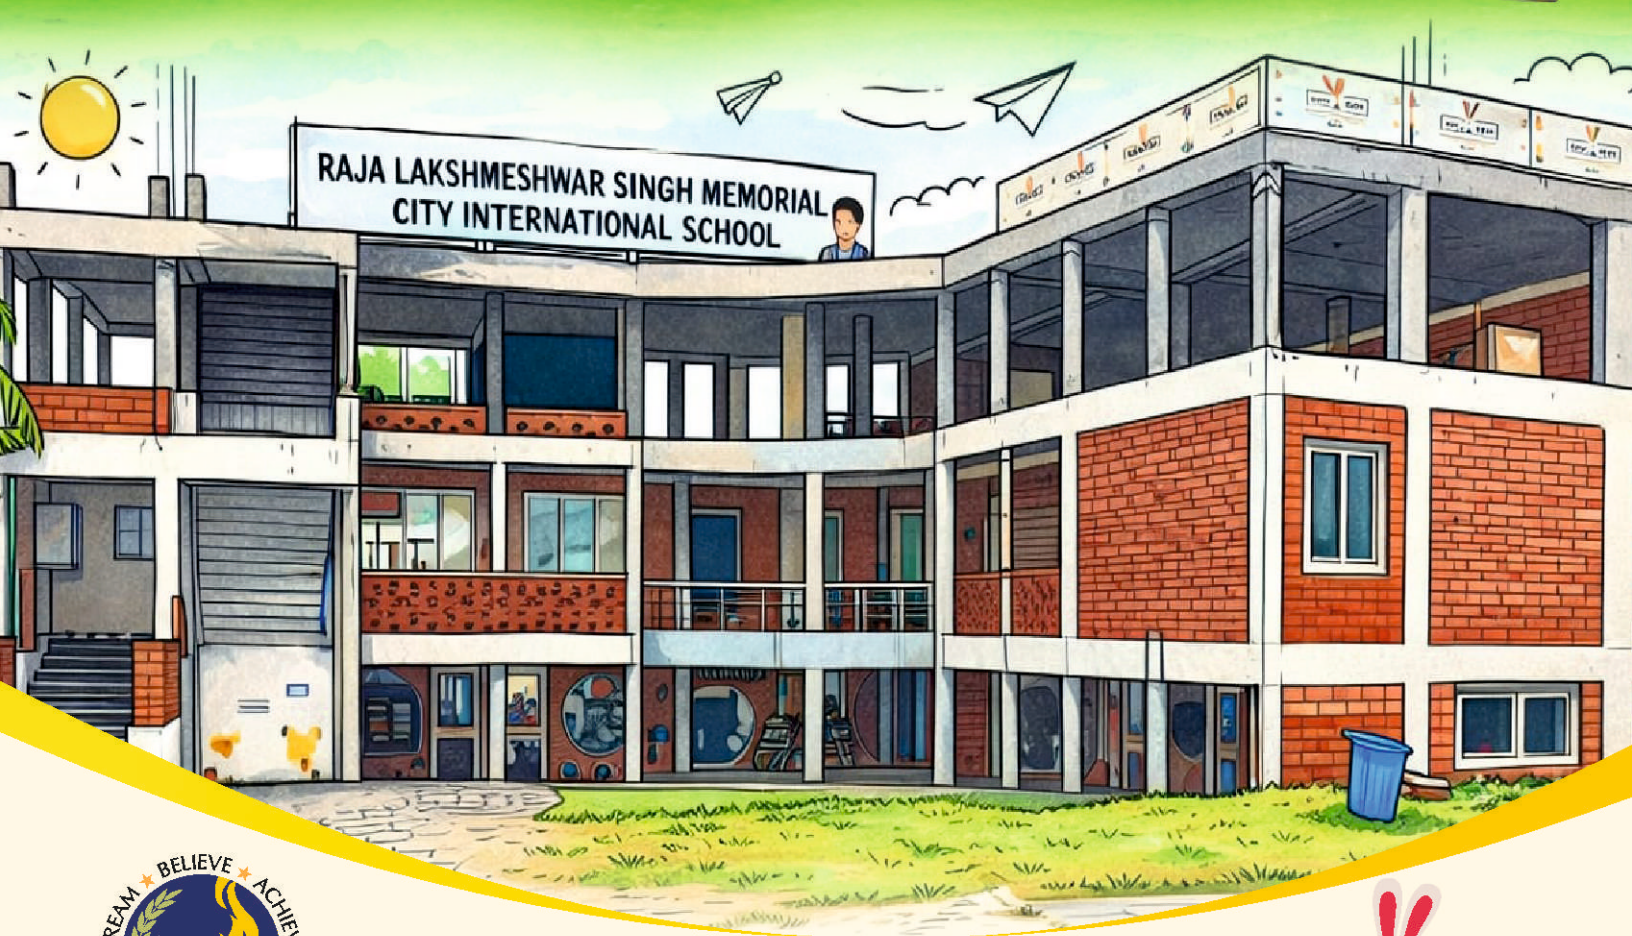

Stay tuned for more updates, and get ready to experience the RLSMCIS difference!

Delicious meals, lovingly prepared, to fuel young minds and bodies!

Safe, fun, and engaging days with friends - all under one roof!
